

COELAN Gleitol

Technical Data Sheet

(Issue: 2023-03-14)

Application areas:

To improve the sliding capability of the smoothing trowel when processing the spatula-coverings with or KEMCO Decor Stone / Natural Stones.

Colour / Gloss:

- transparent

Product features:

- ready to use
- exceptional lubricating effect

Package size:

1 l bottle

Material consumption:

- at least 500 ml/m²

Shelf Life:

Use by: 24 month

Store in closed original containers in dry rooms at temperatures between +5°C and +25°C. Direct sunlight and frost should be avoided! To achieve the best results, it is recommended to store the material at room temperature for approx. 24 hours prior to use. Opened containers should be closed air tight and used as soon as possible.

Mixing ration:

- ready to use

Specific gravity:

approx. 0.80 g/cm³

GISCODE:

M-VM01

Disposal

Disposal when liquid:

EAK 08 04 09

Disposal when cured:

/

Substrate:

- Material can be used for smoothing trowel.

Application temperature:

Material, atmospheric and surface temperature: at least +5°C to max. +30°C.

Relative humidity: < 80 %

The substrate temperature must be at least 3 K above dew-point temperature.

Application Instructions:

- Finishing trowels cleaned with COELAN Universal Cleaner are wetted with COELAN Gleitol at frequent intervals.
- Please note that COELAN Gleitol should not be allowed to come into contact with the substrate to be coated.

During and after the application, please ensure even and continuous ventilation in order to guarantee a uniform drying process.

Always wear personal protective equipment during application.

For additional information, please refer to the system product's respective Technical Data Sheets and work instructions.

Important notice

Hazard notes, protective measures, hazardous material classes and disposal can be found in the safety data sheet of this product.

Based on our experience and to the best of our knowledge, this technical data is up to date and all information is current. As there might be operating conditions of which we have no knowledge and cannot have any knowledge, this data sheet shall be considered for information only and without responsibility. For the benefit of technical advances and the outcome of such advances, we reserve the right to make changes to the data without any prior notification.
