

KEMCO IC Fleece inner corner and KEMCO OC Fleece outside corner

Application area

- For new buildings and repair work
- Pre-cut segments as additional reinforcement for corners

Features

- System-tested and adapted to the intended purpose
- Excellent adaptability
- Basis: Polyester

Storage

Protect against moisture, store horizontally in a dry place without creases.

Pack sizes

20 pcs in a box

Application

The KEMPREROL waterproofing is applied to the substrate. The KEMCO IC Fleece inner corner or KEMCO OC Fleece outside corner is applied as an additional reinforcement and pressed down with a brush. The KEMPEROL waterproofing is applied to the first coat until the fleece is fully saturated. Then the fleece-reinforced waterproofing is applied to the edge and the surface.

This ensures the required overlap areas of ≥ 50 mm from non-woven fabric to non-woven fabric.

Disposal

Fleece

EAK 04 02 21

General information

The times given above are reduced with higher and increased with lower ambient and substrate temperatures. KEMPER SYSTEM products must not be mixed with other manufacturers' products.

Only for commercial use.

Our technical data sheets / technical information and our technical application advice only reflect the current state of knowledge in our company and our experience with our products. With each new edition, the previous technical information loses its validity. It is therefore essential that you always have the latest data sheet to hand. The latest version can be downloaded from kemperol.de under Media >

Downloads. When applying and using our products, a detailed, object-related, qualified check is required in each individual case to determine whether the respective product and/or the application technology meets the specific requirements and purposes. We are only liable for the freedom from defects of our products, but only if our respective product has been used and processed in accordance with our processing guidelines in the technical data sheets. The proper and professional processing of our products is therefore the sole responsibility and liability of the user (processor). Our products are sold exclusively on the basis of our terms and conditions of sale and delivery.
